Save the Date

Our annual Plan to Protect refresher training will be on **June 25th** after the service with a free lunch!

Somebody once said, "God couldn't be everywhere at the same time that's why He made mothers. While it's not totally true, mothers play such an important part in the home. In fact, females play such an important part in our lives. When mother Theresa was asked how to bring peace to this world, she said, go home and love your families. We are thankful for all mothers in this special mother's month. When God wanted to save the world, He chose a woman to bring His Son into the world and mother Him till He was ready to fulfill His destiny. Matthew 1:18 "After His mother Mary... she was found with child of the Holy Spirit". Godly mothers prepare their children and in so doing help build a better society. We salute all mothers and wish you a Happy Mothers' Day. *Rockey Andrew*
